European INNOVATION Council EIC ACCELERATOR

EIC Accelerator – Confindustria 09/11/2020

Giovanni La Placa

Accelerator

> provides innovators and innovative companies with blended finance (grants / grants and equity) of up to €15 million or more

> bridges the financing gap between late-stage innovation activities and market take-up

Accelerator Pilot Building on SME Instrument

- Individual SMEs with high-risk, high-growth potential aimed at creating new markets
- **Substantial funding** for the last stages of development
- **Bottom-up**: all sectors, products, services, new business models

Accelerator Pilot Building on SME Instrument

- Grant- activities of TRL 5/6-8
 - €0.5 2.5 million (funding rate 70% of total cost of project)
- With equity option (blended finance)- activities TRL 5/6 and above
 - up to €15 million
 - Equity is an asset of the company that can be used as it sees best including:
 - Especially TRL 9 activity costs but other costs for TRL 5-8 as well
 - 30% co-financing of the TRL5/6 to 8 activities covered by the 70% grant

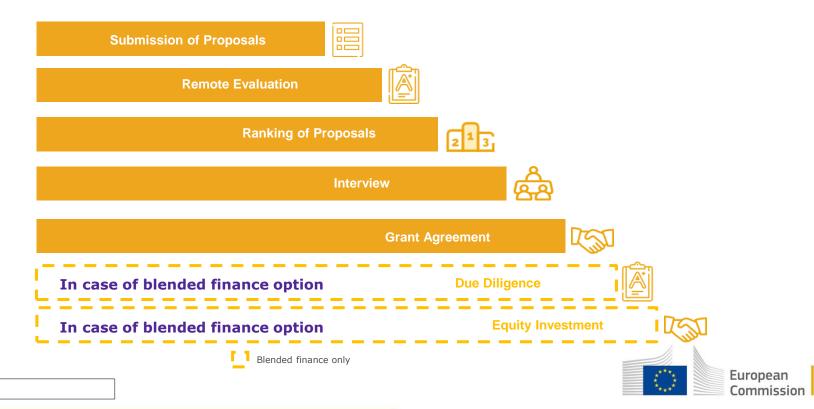

From grant to blended finance

- Grant: Early-stage innovation for development
- Equity: Early-stage and mature innovation for scale up
 - **Time-to-inform**: 4 months from cut-off date
 - Time-to-grant
 - Grant: 6 months from cut-off date
 - Equity: +6 months from cut-off date

Accelerator Pilot - Step-by-step

Accelerator Pilot (grant and blended)

- Evaluation
 - By experts in technology, business and finance
 - Two **steps**:
 - Step 1 (remote evaluation)
 - Step 2 (face-to-face interview)
 - Possible outcomes:
 - 'Go' decision
 - 'Change into blended finance' decision
 - 'No Go' decision

Accelerator Pilot (blended finance) Equity investment

- Principle of **crowding-in** private investment
- Structured **via separate agreement** (next to grant agreement)
- **Passive role** in the daily management of the company
- **Exit strategy:** if consent of the company is received, the EIC Fund will actively seek private investors to buy the EC shares

Update on EIC Fund

- Established in June 2020
- Investment Committee meetings started in September
- 140 companies in portfolio
- Over 60% of the current portfolio presented for approval or under due diligence

Italy's relative performance: explanations?

- Overall R&I performance (e.g.: European Innovation Scoreboard)?
- Framework conditions less favorable for business innovation?
- Fewer breakthrough/radical innovators?
- Average quality of the proposals?
- Availability of risk capital? Less developed capital market?

Next Steps- Horizon Europe

European Commission

.....

7 Guiding principles (1)

- Timeliness: quicker and more efficient screening; "just in time basis" (continuously open call)
- 2. Support services for innovators: help applicants to further develop and improve their initial idea & proposal
- **3. Enhance the quality of evaluation:** limit resubmissions and reduce the number of proposals submitted
- 4. Reward effort and don't miss potential: create a "second chance" for very good to excellent proposals

7 Guiding principles (2)

- 4. Encourage radical ideas and risk-taking attitude: avoid forcing consensus between experts, allow dissent
- 5. Enhance transparency: provide detailed and fit for purpose feedback
- **6. Promote innovativeness and disruptiveness:** AI tool to support submission and evaluation

Selection process

- 1. Screening of ideas (NEW)
- 2. From idea to full proposal (NEW)
- 3. Remote evaluation of full proposal (IMPROVED)
- 4. Face to face jury interview (IMPROVED)
