

We create value

**BIOSPHERE**  
corporation

Biosphere Corporation was founded in 1997 by Andriy Zdesenko in Ukraine. This year Biosphere Corporation celebrates 25 years of its successful operation on the market. During this time the company has grown up from a little idea into a huge leader corporation.

Biosphere Corporation is a leading manufacturer and distributor of household and personal hygiene products in Eastern Europe and Central Asia and a key player in the away-from-home of professional goods and private labels.
